

## **APPENDIX B: Woody Guthrie Audiovisual Collection Finding Aid**

**Creator:** Woody Guthrie Archives

**Title:** Woody Guthrie Audiovisual Collection

**Dates:** 1940-1975

**Extent:** 74 ¼ inch reel-to-reel audiotapes

**Historical/Biographical Note:** see <http://woodyguthrie.org/biography/biography1.htm>

**Scope and Content Note:** The collection consists of 74 ¼ inch reel-to-reel audiotapes containing musical recordings, performances and radio shows.

Series I: Musical Recordings consists largely of copies of commercial recordings containing Guthrie's songs. The content of many of these tapes is unclear, as there are a number of reels titled "Folk Music Collection" which may or may not be copies of each other. However, tapes containing Guthrie performing his songs are included. Whether these are copies of commercial recordings is unclear.

Series II: Performances contains musical and theatrical performances, at venues ranging from college campuses such as the University of Southern California to Vincennes University to Dudley Rigg's Experimental Theater Company in Minneapolis, MN. Of particular significance are reels containing stereo masters and outtakes for the album "A Tribute to Woody Guthrie, Part 1" and "A Tribute to Woody Guthrie, Part 2." These albums were created with recordings culled from live performances of Guthrie's songs at Carnegie Hall and the Hollywood Bowl (Los Angeles) by artists such as Arlo Guthrie, Judy Collins, Richie Havens and Joan Baez. The 1968 Carnegie Hall concert was especially significant because it was the first time that Bob Dylan – backed by The Band – performed after his motorcycle accident in 1966.

Series III: Radio Shows contains recordings of radio shows ranging from 1940 to 1975. Most of these shows are memorial and tribute programs broadcast shortly before or after Guthrie's death in 1967 on stations across the continental United States. A significant number also include interview segments with Marjorie Mazia Guthrie. The collection also includes rare recordings of Guthrie performances on radio stations in the United States and abroad, including "Woody Guthrie's Children's Hour," recorded for the British Broadcasting Company in London in 1944 while Guthrie was on active duty with the Merchant Marine, and a recording of Guthrie performing "High Floods Low Waters" on Oscar Brand's WNYC radio show in 1940.

**Arrangement:** The collection is grouped into three series: Series I: Musical Recordings; Series II: Performances; Series III: Radio Shows. Tapes are arranged alphabetically by title within each series.

**Restrictions:** Tapes are unavailable for playback. CD Audio access copies exist for some tape. Consult archivist for further information

**Provenance:** The provenance of this collection is unknown.
